Personal Devices and Their Use at School

We want to remind parents and guardians that students are not
permitted to use their personal devices at school. During school
time, including lunch and recesses, phones should be in back packs and smart watches should not be used for any other
purpose than to tell time. If a student needs to contact their
family, or receive an important message, this should be done via the office.

Criminal Record Check Reminder

To all parents and anyone who wants to volunteer with the school; please remember that volunteers are required to fill out and return a completed criminal record check. Also note that these are only valid for four years.

We want to provide all our students with a safe environment at all times. The checks do take a few weeks to get completed and returned by the RCMP, so we encourage you to plan ahead. If you are wanting to start the process, please stop by the office.
